JANUARY HIGHLIGHTS

As we welcomed the new year, January was a vibrant month filled with enriching activities at Khalifah Al Hamzah American Private School.

- **Book Fair:** Students explored the joy of reading.
- **Gulf Children's Day:** Celebrations showcased student talents.
- **Sport Day:** Fun-filled games and teamwork activities.
- **KG Activities:** Engaging crafts and interactive learning.
- **KG Picnic Day:** A fun outdoor day for our little learners.
- **Trip Week:** Exciting field trips wrapped up the month.

Looking forward to continuing this spirit of learning and growth in the months ahead!

SCIENCE HOD SPEECH

As Head of the Science Department, I am committed to fostering a culture of curiosity, innovation, and student-centered learning, where both educators and students can grow and excel through active engagement in the sciences.

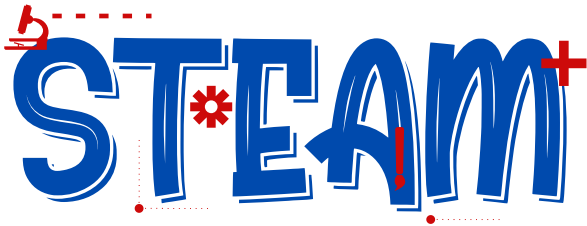

TREE PLANTING INITIATIVE

Tree Planting Initiative at Khalifah Al Hamzah School in collaboration with Sharjah Government – Environment and Protected Areas Authority!

Our students are planting hope for a greener and more sustainable future.

Thank you for your support in protecting our environment!

SCIENCE PROJECT

We are proud of our students!
They explore their creative side through fun learning experiences, STEAM challenges, their favorite experiments, engineering challenges, and demonstrations to prove their skills in all aspects and develop innovative ideas.

JANUARY: THE MONTH OF TEAMWORK AT OUR SCHOOL

At Khalifah Al Hamzah American Private School, we value teamwork! This month, we focus on collaboration, respect, and supporting one another. Whether in class, sports, or activities, working together makes us stronger. Let's make January a month of unity and success!
